	10. Data Protection / Declaration of Consent
	ata Privacy Notice (It is important that you read the information below before you sign)
	You have the right to know how we use your personal information.
	You have a right to request any information we hold about you (Right of Access) and you can do so by using the
	contact details at the bottom of this page.
	We are required to collect personal information in order to assess your eligibility for our employment programmes, to
	monitor their effectiveness, and to provide statistical data to our funders. We will store your data in a confidential

and secure manner. For participants of our programmes, we will store your data for a period of 3 years. In the case of those who apply but do not start a programme, we will retain your data for 1 year.

For participants starting a work placement, we may be required to provide personal data, including sensitive data (e.g. health and any unspent criminal convictions), to a potential placement company so that we can make a good match.

Consent

Please sign below to confirm that the information given is true and complete and that it can be used for the purposes of the programme as outlined above. False or misleading information may lead to an application being disqualified.
